Flex Magic

High Speed HDMI cable with ethernet

The flexible plug on this innovative HDMI® cable means that it may also be used in confined spaces. The fact that it is possible to turn the plugs by 180° means that home-cinema fans can be highly flexible in their applications. The high-quality inner conductor made from OFC copper with triple shielding and 24-carat gold-plated plug contacts also guarantee the absolutely stable and interference-free transmission of signals.
