

# Dynavoice Magic FX-4

The Magic FX-4 has a 28.8° angle, making it perfect for mounting in a horizontal or a vertical position. Either use them as surround speakers in your theatre system or up against the ceiling for a height-based sound. The FX-4 is also perfect for any type of big room installations or commercial areas like restaurants. The gold-plated terminal is countersink, the logo can be moved and four brackets on the back makes mounting easy and versatile.
